QUICK FACTS & FAQs

Program

Our doors are open daily from Monday to Friday from 8 am to 6 pm. The rising sun program starts at 8 am and the normal camp day starts at 10 am. You may pick up your child at any time during the day as long as it is before 6 pm.

To attend, you will need to complete and submit the summer registration form along with your \$75 membership fee. Children entering first grade through twelfth grade may attend the appropriate program.

Pricing

Summer Membership is \$75 and includes attendance between 10 am–6 pm, as well as all special events and some local field trips.

Food

The Club will provide a free, healthy afternoon snack each day. For all our programs: **ensure your child is sent to day camp with a lunch.** The Club has a strict no-peanut/tree nuts policy.

A Day at Summer Camp

Even without the extra field trips and specialty camps, summer camp is a blast! Every camp week is jam-packed with projects, games, sports, friendship and fun! Plus, free events like Olympic Day, Summer Kickoff, Carnival Day and more will be available all summer long!

Specialty Camps

We recommend registering early for Specialty Camps and field trips as space is limited.

Field Trips

Field trips must be signed up for in advance and require a signed permission slip. Members should arrive prepared with walking shoes, sunscreen, a water bottle, a packed lunch, and have eaten good breakfast. Some local field trips are free, but all non-local trips have a cost.
